Updated Volunteer Schedule Details Posted Here!

THANK YOU SPONSORS!

In particular, please look closely at the following:

- [Schedule Details](#) for specific arrival times for each of the roles (on land and on water) and locations.
  - Sorry for the McIver crowd's early shocker but it is worth it (in addition to being the longest section, it is also the wildest and most scenic with miles of parks and preserves bordering its reach).
  - If the schedule image is impossible to read, please let us know.
- [Waivers](#)! They must be signed before you begin the cleanup.
  - You can sign at check-in on Sunday
  - Send us a signed PDF to [info@welovecleanrivers.org](mailto:info@welovecleanrivers.org)
  - Come with it printed and signed on Sunday.
- New [FAQ page](#) - see if your question is there and feel free to ask follow up questions.

**Pending:** Updated logistics information and instructions on check-ins, parking, proceeding down the river safely in groups, cleaning up, sorting trash, etc. **will be sent out tomorrow.**

We are watching the forecast of strong winds for Saturday. The next day forecast (September 11th) is perfect, but we will keep you posted if anything changes.

Again, thank you for volunteering and we look forward to seeing you on the river soon.

Sincerely,

Matt Taylor & Amy Barton (Co-organizers)
